“ To Mr. Bieber's Family:

I am so sorry to hear of your loved ones passing. I work at SNHMC and worked with Fred for many years. I just wanted you to know what a delight it was to have known him. When I would call for a messenger I was always pleased when Fred would arrive. He always had a funny story and a smile no matter how hectic everything was. Everyone knew him and loved him. He will be remembered fondly for his dedication to the hospital and for how good he made all of us feel. You must be very proud of him and all of his accomplishments. God bless you all.##imported-begin##Cheryl Fregone##imported-end##
