“ Galen and his wife embraced myself and my daughter into their lives as did Dawn. He always had a smile for us and showed interest in what was going on in our lives. We will always remember him as a warm and friendly person. We've always considered him as part of our second family. He will be missed dearly and we extend our heartfelt sorrow for his passing to his family.

Love, Mary and Erika

“ *We were living out in the countryside in Spain, 20 miles away from the military base. We lived less than a block away from the Jennings. Galen gave me a ride to the military base where I went to high school every day during my senior year so I could go in early to do a work study program. He was a great guy. Friendly, intelligent, compassionate. We will miss him. Gregg*
