“ *My sincere sympathy, love and prayers go out to you Natalie and your entire extended family. I am not aware of what happened, but it was so sudden and we are all so saddened, but rejoice that He is surely in the presence of his Savior. Your church family, all of us, love you, and let us know if there is anything we can ever do to be there for you. Prayers for God's comfort, peace, hope and assurance. May He give you rest to your heart and mind. May His love be with you and your family.*

*God bless,*

I send my condolences to the family and to share a memory, I remember staying over at Garth's house, and we would always go to the YFCA, the next day. there used to be a donkey and we would hop on and get bucked right off ha ha. Garth was one of my best friends in school.*

*I am sadden that I must light a candle for my cousin Garth, but I want to share that the light of his soul will continue to shine through all those he loved. We were not close, in fact, I don't really know Natalie, but a person doesn't have to be immediate to feel compassion for the love ones who are suffering. You will be in my thoughts and prayers as you learn to journey on with his spirit. Sometimes you will feel his presence and maybe even hear his laughter. He will always be with you! We as extended family are here also. Reaching up to ask for strength and comfort over all of you. Hugs ~ Diane Denoyer*

*Finally Home  
Although your work on earth is done  
Your life in heaven has just begun.  
Your struggles here were hard and long  
But they're over now, you're finally home.*

*Life wasn't easy, by choice or fate  
A decision made, sometimes too late.  
A fight to the finish, always strong  
Rest easy Garth, you're finally home.*

*Although, you were only with us a short time, you were an inspiring man with lots of love to give. You were LOVED and will be missed by all the lives you have touched.*
