

## Gary Sullivan

September 26, 2025

Gary Sullivan, 68, of Londonderry, NH, passed away on Friday, September 26, 2025, after a sudden illness. He was born in August 1957 to the late Raymond Sullivan and Geraldine Sullivan Twombly (nee Greeley), Weymouth, Massachusetts. He was much loved by his partner in crime, Paula Smith. He also leaves his pride and joy, the doggie triumvirate Woodstock, Ringo, and Wiki. Oh boy, did he love those dogs.

 Gary was a proud member of the Marine Corps, serving from 1978 to 1988. Following his service, he worked in construction. Most recently, he was employed at the NH Department of Transportation for over a decade before retiring.

Gary was an avid hunter and got joy from taking his Griffons out in the woods to look for birds. He hunted deer and turkey and loved being in nature. He enjoyed fly fishing and training his dogs to perform in the field. Gary was a big fan of the Upland Journal community, of which he has been a member for decades. He valued the friendship of these people tremendously.

He will be missed by his daughter Anne-Marie Sullivan and companion Nyx LeCouffe, as well as Cymon Drouin and his partner's children Craig Wolfe-Smith and Deryn Ayres. He leaves his three brothers, Greg, Glen, and Dean, as well as several nieces and nephews. Gary was incredibly proud of and

found tremendous joy in his grandchildren, Caitlyne and Lyam Drouin.

A time of visitation will be held on Friday, October 24th, from 4:00 pm to 5:30 pm with a Service of Remembrance at 5:30 pm in the Dumont-Sullivan Funeral Home, 50 Ferry Street in Hudson. Burial will be private. “ I knew Gary through the Upland Journal community for many years. He was an inspiration to me during that time and we exchanged messages about dogs, hunting, fishing and outdoor pursuits. I will miss him, I already do. My best wishes to his family and friends in this time of sorrow.
