“ I worked 20 years with George and he was a good man. Funny, fun, got along with everyone, and expressed much love for his family. It is especially a sad time of year to lose a loved one and I am sure he will be missed. But also know there are many fond memories by many and it is always good to remember the good and just smile. May we see him again in Paradise

“ To the family my deepest condolences on your loss. It is a difficult time for the survivors who have lost a dear loved one. The holy scriptures can provide much comfort at this time and perhaps you already realize that. I also find that the scriptures help at these time. The account of our Lord Jesus at John chapter 11 may help as this details how Jesus wept and then resurrected his dear friend Lazarus after he had passed for 4 days. The power that his father God had given him only gives us a small glimpse into the future when all that have passed to return in the resurrection. I pray that this may give all of you a measure of hope and comfort. Once again you are all in my prayers and thoughts at this time.
