“ *Whenever my grandpa hugged me goodbye he REALLY hugged me. His hugs were so genuine and filled with love.*

*The last time I saw him was the first time he met my son. I'm so thankful that Jack got to meet his great grandpa! Now he has a special guardian angel.*

*This Christmas was hard because Christmas at my grandparents house was always so magical - one of my favorite things was the cute gift tags my grandparents wrote to each other. They were a great couple and best friends - the type of relationship we all hope to have as we grow old. He's still here in our hearts!*

“ As a Litchfield neighbor for thirty years never anything but a friendly hello on our walks past his home and words of encouragement “ keep walking young fella- it keeps you young...”  
He will be missed by many.
