“ We, the Young family want to express our deep gratitude for the outpouring of love, caring, and sympathy during this difficult time of loss.

I think if my dad could, he would have said something like this:

Don't grieve for me, for now I'm free. I'm following the path God laid for me. I took God's hand when I heard the call; I turned my back and left it all.

I could not stay another day to laugh, to love, to work or play. Tasks left undone must stay that way, I found that place at the close of day.

If my parting has left a void, then fill it with a remembered joy. A frendship shared, a laugh, a kiss. Ah yes these things, I too, will miss.

Be not burdened with times of sorrow, i wish you the sunshine of tomorrow. My life's been full, I savored much, good freands, good times, a loved one's touch.

Perhaps my time seemed all too brief; don't lengthen it now with undue grief. Lift up your heart and share with me - god wanted me now, God set me free.##imported-begin##Ann T.(young) Kelley##imported-end##
