“ *Randy and Tracy: My sympathy on the passing of your Mom. Though I had the pleasure of only a few hours with her, I remember her sense of humor, and her pride, as she talked of her skating, music activities of yesteryear, and Randy's accomplishments. Thinking of you both, as you navigate the grieving process while carrying on your hectic schedules. I am sure Georgia felt your love each day til the end.*

“ *Randy and Tracy, we were deeply saddened to learn of your loss. Although we never met your Mom, her love and compassionate nature is reflected in your countenance. You are truly fortunate to have had a mother who loved you unconditionally. Her gift to you is one that you have shared with many others. So her legacy is secure.*
