

## Gerald Soucy

April 4, 1943 - July 8, 2021

Gerald A. Soucy, 78, of Hudson, NH, died Thursday, July 8th, 2021 while surrounded by his loving family.

He was born April 4, 1943 in Nashua, NH, son of the late Roland and Rachel (Berube) Soucy. Gerald was also predeceased by a daughter, Wendy Soucy as well as by two brothers, Roland Soucy and Richard Soucy.

Gerald loved the warmth and being in the sun, spending 30 years living in Florida. From there, his adventure to the Philippines followed for the next 10 years. Within his time in the Philippines, he made many friends, and loved to help the ones in need the most. Every year, he would buy all the kids in the neighborhood their school supplies and book bags to be able to return to school. It made him proud to know that he was making a difference in their lives. He always said how grateful all the children were just to be able to have the items needed to go to school.

Once he was back in the United States, he just wanted to reconnect with all his loved ones. He enjoyed having reunion lunches with his old classmates, going down the street to Fat Kats to have a beer with his sons and do some dancing. Gerald liked to stay up to date on the news. Watching what went on around the world was an informative hobby I would say. Politics would always be something he would watch. You knew when things would be getting good

because he always started yelling at the TV.

Gerald was ever the entrepreneur; throughout his years he had previously owned two pizza restaurants as well as a successful wholesale rose business. In his earlier years, he enjoyed his time as a firefighter with the Nashua Fire Dept.

Gerald would talk highly about having 12 grandchildren, and 11 great grandchildren. He made as many baseball games as he could for his great grandson. His second to youngest great grandchild was the sparkle in his eye. Every day he would wake up and come down to be with her. She would wait at the bottom of the stairs for him yelling "Yampa". His smile would be from ear to ear. She would walk him to the couch and hop up right next to him. She was, "his baby", and everyone who knew him, knew that. Nothing put a smile on that man's face more than coming home to see his babies.

One of his favorite past times would have to be boxing. He loved to fight. Especially with all his brothers. He would often recall his boxing days and he put up the best fight possible to make the time he had left as valuable as he could. He pushed through all his pain and suffering to be able to come home and take his last breath around those dearest to his heart.

Gerald's loving family includes a daughter, Kerry Soucy of Derry and three sons, Wayne Soucy of Hudson, Jerry Soucy of Nashua, Timothy Soucy and his wife Karen of Concord, two brothers, Paul Soucy and his wife Rita of Michigan, Albert Soucy and his wife Sandy of Mississippi, a sister, Claire Soucy of Florida, 12 grandchildren and 11 great grandchildren, as well as many nieces and nephews.

Visiting hours will be held on Monday, July 12th from 4pm-6pm with a Prayer Service at 6pm in the DUMONT-SULLIVAN FUNERAL HOME, 50 FERRY ST. IN HUDSON. Following cremation, burial will be private.

“ *A la Famille de Gerald SOUCY,  
I just heard about the passing of your father. I met him at Fats Kats  
and he was just a very nice gentleman to converse with. We often  
spoke about events going on and about the town, the world, etc. He  
always would tell a story, often a funny one. We would frequently  
speak in French as he wanted to practice his skills. He was the fella  
when I saw him I would often sit down to spend the time I was there  
to just converse.*

*Again, my condolences on your loss,*

“Daddy is the greatest dad in the world. He came to the Philippines in 2011, i was only 5 then. He would always remind me of how shy of a little girl i was when he first met me, and time passes by i grew up knowing him as my dad even though we're not related biologically nor was i able to adapt his surname. That was not a hindrance for him to love me like his own, he is truly just the greatest.

*I will always remember how fun I'd have breakfast with him, i would always wake up asking what he'd want for breakfast and it'd be always either pancakes and bacon or toast and eggs, with a very delightful hot cup of coffee. And I'd always pick up his newspaper by our gate, i remember just having dozens of stacked news paper at our home because of how much he loved reading current events.*

*Daddy was a great disciplinarian, he'd correct my mistakes in ways that I'd understand and would always talk to me about many things that would expand my knowledge about the world more.*

*Our favorite bonding would be watching our fave shows, mainly in the genre of thrillers that would involve solving cases and crime scenes. Daddy's favorite was Blacklist while mine were different versions of CSI.*

*I had the greatest childhood because of him, i will never forget how he used to read me bed time stories or always tuck me into bed and turn on my night light.*

*Daddy was always so proud of me, He knew me so well that despite my failures at times he'd still always cheer me up and keep me going. Wherever he goes he always boasts about me, he had the purest love of all.*

*I will truly miss him, his hugs, his encouraging words, his smiles, the way we sing our daddy and daughter anthem, our happy breakfast, our movie nights, the way he teaches me about football, and just*

*him being himself.*

*You may be gone from this world, but your memories and love will always remain in my heart. And i will continue to take on the journey of life with all the great lessons you have taught me and keep in mind of how proud you will always be of the person i will become.*

*Sending all my love to you dad, love Michaella.<3*
