“ Hi Robin,

*My father called me today to let me know that your father had passed away. I am so sorry to hear this news. I will miss being greeted by his smile when I visit the circle. Your dad had an incredible sense of humor!! My father loved talking to him about about who had the greenest lawn (your dad did), fishing, politics and old man gossip. I remember rescuing Skippy from a back alley in Boston and bringing him home to my folks. My parents said, no way. Despite your dad being meticulous about his lawn, he knew how much you wanted a dog and asked if he could adopt it. Skippy found a great home with all of you and his love of animals and kindness to his neighbors is a testament to his gentle loving heart. Please know that we are thinking of you and send peace and love in this difficult time. -Tricia CoyleAiston*

“ Dear Robin,

*I was so sorry to hear about your Dad's passing. He will be missed in the neighborhood, I always enjoyed the decorations he had in the front yard. I'm sure that his friends at Dunkin Donuts miss him....it seems like he was there whenever I went in for coffee. Such a pleasant man. I remember losing my Dad and I still think of him often. I will continue to keep your Dad in my prayers.*
