“ Although I only actually met this lovely woman a handful of times, I felt like I knew her so well through Brenda always talking about her Mom. When I did see her, she was always so sweet and kind and talked about her family which was her pride and joy. I could always see where Brenda got her kind, caring ways, and her determination to carry on, no matter what she was dealing with - just like her Mom! It is always so hard to say good bye to such a remarkable person, but her spirit will live on through her loving family. Rest in Peace.

“ *Elaine/Mom/Grandma Taylor, She was more than just a mother in-law to me. She was a sweet friend, a wonderful grandmother to my children, an amazing Mom to her kids, a loyal, caring, women with strong values who had a meek quiet spirit. Knowing her made me want to be a better person. I knew she was a special lady the first day we met a little over 27yrs. ago. From that day she was always so kind and accepting. I really enjoyed seeing her, and whenever Rick and I would visit her she would share with me such cute stories about Rick and her other children so proudly, it was very obvious that she was a proud mom and loved being one. She will always be remembered and will be missed terribly. Rest In Peace* ❤️

“ *Elaine or Gramma as I called her, was a wonderful woman whom I've known for more than 42 years. She was a wonderful mother to Brenda and a tremendous grandmother to our kids, AJ and Aften. She was strong and independent as anyone that I have known. She was always pleasant and had good things to say. You will be missed, Rest In Peace.*
