“ May you rest in peace, your trials are over and you have earned your angel wings. God has called you home to Paradise. We will miss you and remember you as the happy, independent, strong aunt who loved her family, made lots of friends in her 91 years and loved her cats. “ Please accept the condolences of all of us here at AHEPA 35 Manor for the loss of Helen. She was considered the unofficial matriarch of our building and loved by all who knew her. She participated in all our activities, including chair soccer- she would sit on her scooter and kick the ball as hard as she could! We will all miss her very much.
