“ *My dear mother. I am remembering you today and always. Today because I lost my daddy on this date. 10 years ago on Nov. 8, I lost you, mama. 10 years is so very long without you to call and talk to. All I know is that I will be with you again. In a place of peace and no suffering. Without hatred and evil. A place of beauty and love. Good night, mama. See you then...*
Love, your daughter,
Judith 🥰

*I miss you and think and dream about you often. Last time I told you the world had become something you wouldn't like. Well, it's much worse now! Dealing with a pandemic and now riots and violence in many major cities has become a total nightmare!
Sleep well my dear mother. You are where no harm can ever come to you...
I love you.

“ My dear mother suffered from loneliness without my father for too long! She was the best wife and mother anyone could have. I miss her every day and in Nov she'll have been gone from me for 4 years! Not a day went by without us talking to each other. We still talk, but silently. I wish her soul to rest in peace with the Lord.
Love from your daughter, Judith

It'll soon be two years since you died in my arms to go to Daddy as you wished. I think of you often and wish I could have brought cherished things with me to Texas, but instead I asked Dede to keep t them for me until I could ask her to send them. Well, I have and she refuses to talk to me. I only pray that before she too passes she sees the light and gives me my cherished family items of you and Daddy. I pray for this every day Mama. I miss you...
