“ *I am sorry to hear that Aunt Helen passed away, because her absence will be felt keenly by her family and friends. She was a far better aunt to me than I was a niece. I kept getting out of touch and Danny would help bring us back together by phone or mail. I was amazed at the quality of her voice when I last spoke with her a few years ago. My siblings Danny, Maureen, Joyce and Jimmy and I were blessed to have her caring friendship as youngsters. I will certainly observe her passing with a gift to a cause she favored.. Please be comforted by the knowledge that Aunt Helen was always loved and must have been pleased with her generous life. Sincerely,
