“ I remember my neighbor and his wife when we moved onto shady lane. His wife was wonderful and always asked about our cats. Henry and my late Husband Glen spent many of times just hanging out and talking they both loved each others company. Sometimes id turn around and there goes my husband across the street to talk to Henry and he would be gone for hours at a time sometimes. I will miss Henrys sweet soul and sense of Humor. I was privileged to know him. Now he and my husband are discussing more stuff in Heaven. I had just learned of your passing yesterday. RIP my friend
