“ happy birthday babycakes mommy misses you so much its hard for me to even write your nname or look at your picture but dont you think i dont think of you! you are all i think about. Every fiber of my being hurts to the core. I wish I could hold you and sing to you. I can still smell your scent and hear you cry for me at night. Its so hard function with everyday life knowing your not with me. I know your playing with the angels and i pray that you hear me sing our good night son. So on your special day when you will be a big boy when you turn 1 years old listen closely and hear me sing HUGS ans KISSES, SMILES and GIGGLES... a simple and short song but it was ours. I LOVE You so much i wait for the day that GOD will call my name so I can be with you, but I have to take care of your brother and sister who miss you very much. good night and send mommy some love.

“ Jason Knight and Amy Knight wrote the most beautiful prayer on July 24th that I have ever read. It breaks my heart everytime I look at Izik's picture. I did not have enough time on earth with him, but the love that came through your prayer is what is in my heart too. As his grandmother and mother of this child's mother it is a double heart if that is possible. I do not even know you, but again I can not thank you enough. Little blue eyes is now playing with the angels waiting for all to reunite. Love you littlw man. Love Mammie.###imported-begin###Chris Davis###imported-end##

“ *Until We Meet Again*

*Each morning when we awake  
we know that you are gone.  
And no one knows the heartache  
As we try to carry on.*

*Our hearts still ache with sadness  
and many tears still flow.  
What it meant to lose you,  
No one will ever know.*

*Our thoughts are always with you,  
your place no one can fill.  
In life we loved you dearly,  
In death we love you still.*

*There will always be a heartache,  
and often a silent tear,  
But always a precious memory  
Of the days when you were here.*

*If tears could make a staircase,  
And heartaches make a lane,  
We'd walk the path to heaven  
And bring you home again.*

*We hold you close within our hearts,  
And there you will remain,  
To walk with us throughout our lives  
Until we meet again.*

*Our family chain is broken now,  
And nothing will be the same,  
But as God calls us one by one,  
The chain will link again.*

*You will always be in our thoughts Izik and we will miss  
you.##imported-begin##Jason Knight and Aimee Knight##imported-
