

J Bradford Seabury

May 9, 1932 - February 15, 2016

J Bradford Seabury, 83, of Hudson NH, died Monday, February 15, 2016, after a long battle with cancer. His last days were spent at Merrimack Valley Hospice, where he experienced the great pleasure of visiting relatives and friends; his final hours were spent in the company of loving family members.

Brad was born in South Portland Maine in May, 1932. After graduating from Portland Jr. College, he enlisted and served 3 years in the Army. When he left the service, Brad earned his BA in English Literature and Philosophy from the University of Maine. In 1957, he married Ann McNally. They lived in Portland for a short time, then moved to Minneapolis, Minnesota where Brad worked and did graduate study at the University of Minnesota for several years. The couple eventually relocated to Hudson, New Hampshire in 1968 and settled roots.

Brad worked as a Tech Writer for several local tech companies, including Sanders, Wang Laboratories, and Cabletron. He was also very involved in town civics with his wife Ann. Together they operated the Hudson Minutemen, a part-time business that recorded the minutes for several towns in the local

area, but mostly Hudson. Brad was also heavily involved with Toastmasters, Portsmouth Chapter and the Hudson Seniors Center. He loved to travel and took more than 15 cruise trips with his wife Ann and their mutual friends.

Brad is survived by his three children: Suellen Seabury (Hudson, NH), JP Seabury (Manchester, NH), and Stacy Paradise (Windham NH), as well as 7 grandchildren. Brad was preceded in death by his wife, Ann.

While there will be no viewing or services, Brad asked that “those who might otherwise have gotten dressed up to come pay their last respects instead get dressed up, take their loved one out or go in the company of friends, and have a toast in my honor.”

In lieu of flowers, the family is requesting that donations be made to either the American Cancer Society (<http://donate.cancer.org>) or the Merrimack Valley Hospice (<http://www.homehealthfoundation.org/memorial-gifts/>).

“ Suellen, Stacy, and J.P.,

I was So sad to get the call on Monday from Sue Thompson at Higgins Beach about your Dad Brad. Very fitting he died on President's Day. He was like a President, so smart, so commanding... he would have done a great job running this nation. I am happy I got to see him this summer and chat, He seemed pleased to be planning the Panama cruise.

Bill and Meg go way way back with Brad and Ann as you know... just some of the stories..

playing "Oh Hell, and Shanghai" in the Spurwink and on your front porch til the wee hours of the morning.. keeping us youngins' awake with Dad's Booming voice and Ann's laugh and Brad being awake til all hours from Meg's endless glasses of Lipton ice tea :).

Meg and Ann giving each other "Toni" home perms in our camp, oh how I loved that stink... while drinking their favorite champale, and getting a little too tipsy and over processing... oops those curls lasted forever. Your Father and my Father were the steady voices of reason for them - the Laverne and Shirley of Ashton street! And who could forget our adventures Suellen when we insisted on making our tent out of TV trays and card tables and army blankets and sleeping in the front yard- not back.. guess the Dad's were worried, and they actually put Kenny up to spooking us out at 1:00 am with strange noises and got us running back in... not knowing it was your Uncle til the next morning.. guess they didn't think it was safe for two young impressionable girls to sleep out front- we could have taken on anyone!

Well... I can just see Bill, Ann, Ken, Brad.... playing cards in Heaven and reminiscing :)

Much Love to All of you and your Families.

“ *Suellen,*

*My condolences to you and your family for the loss of your father. I
know how much you loved both your father and your mother, and
the wonderful relationship you had with them.*

*Besides being a stalwart for his family, he was the same for the
Town as well. He set a tone of humility and demonstrated respect
for others that people followed implicitly. I was always grateful for
the way he treated me. His demeanor served as a shining
example.*

*He and I got a kick out of having “J. Bradford” in common. The
source of great fun.*

He will be missed.
