

Jack Floyd

February 15, 1959 - September 25, 2025

With heavy hearts, we announce the passing of Jack Floyd, a beloved husband and loving father. He was born February 15th, 1959 in Arlington, Massachusetts. He passed on September 25th, 2025 after his courageous fight with cancer.

Jack is survived by his wife, Karen Morganelli Floyd. They created a beautiful life together, filled with love and adventure. He is also survived by his son, Adam Floyd and daughter Mallory Floyd, his mother, Patricia Floyd and late father Arthur Floyd, his sister Sherrie and her husband George Cutler of Arlington, Massachusetts, his sister Sharon McCabe and John Cote of Taunton, Massachusetts and his brother Jim Floyd of Woburn, Massachusetts. His brother-in-laws Steven and Kathy Morganelli of Burlington, Massachusetts, Mark and Linda Morganelli of Wilmington, Massachusetts, and his in-laws the late George and Carol Morganelli of Burlington, Massachusetts. His nieces and nephews, Steven II, Daniella, Michael, Caroline, Matthew Morganelli, Pat Boston, Jesse and Lily McCabe. His great-niece and nephews Juliet and Brody Boston, Steven Morganelli III and Canon McCabe.

Jack Floyd was a gifted musician and played the guitar for most of his life. He attended Berklee College of Music and played in several rock 'n roll bands growing up. He loved to tell stories about his bandmates and all the shows

they played. Later in life, his passion for health and wellness led him to become a strength and conditioning coach where he trained and inspired many people in his gym, The Dungeon. His artistic creativity was on display any chance he got whether it was carving pumpkins, creating all types of snowmen or showing off his Adobe Photoshop skills on Facebook. He was legendary prankster and loved making others laugh.

“Life should not be a journey to the grave with the intention of arriving safely in a well preserved body but rather to skid in sideways in a cloud of smoke, beat up, broken and totally worn out screaming WOW, what a ride!”

There will be a Celebration of Life for Jack Floyd on October 12th, 2025 at 2200 Southwood Drive in Nashua, New Hampshire at the Courtyard by Marriott from 1-4pm.

“ My memories with Jack date back to 1977 when I was 16 years old and have continued non-stop to the day he passed. He was no less than a brother to me. My actual brother, Rich Vartanian brought Jack down to our basement in Arlington MA as a lead guitar player in 1977 and there he remained as our guitarist spanning 25 years with me in 5 bands. 4 of those bands were Wizard, Precious Metal, The Code and Overtime shared with Rich Vartanian, Steve Allan, Tom Roan and Lucy Bocchiaro. The other band was Mid-life Crisis. The most recent band, Overtime, was also shared with Sean O'Connor and Alan Amaral. Jack was an extremely talented player. He was a song writing machine as well as a perfect team-player and friend. He wrote 100's of songs. Some of these songs could have been national hits. He was that good! We spent countless hours and days in many recording studios and played on 100's of stages. In amongst the other 23 of the 48 years we knew Jack, he was one of the best friends you could have ever asked for. We witnessed, and were part of, his marriage to Karen and the birth of their children Adam and Mallory and watched him mature into the most awesome father and husband anyone could have ever hoped for as a human being. Everybody loved Jack. He was as witty as they came. He was always trying to make people laugh and exemplified the art of making you a better person. He was also a very talented "prank" artist and scared the many a "friend". Jack had the energy of a 16-year-old for as long as he lived and worked hard at leading a healthy life. Jack, you will always remain imbedded in our hearts as our best friend and brother for as long as we live. We miss you and love you my brother... Til we see you again!

“ As a friend and a family member Jack was nothing less than awesome. He is loved and will be missed by many.. As I'm sure many of his friends we too didn't see enough of Jack. I do remember many times getting together with Jack that he did make us laugh time and time again. One time in particular a group of us got together for a New Year's Eve celebration and as we walked through on adjacent mall near the hotel we were at Jack was the one throwing the little caps on the floor to cause a stir as we walked by people. And if you looked at Jack he was the picture of Health in perfect physical shape everything about him looked healthy.

“ We are heartbroken by the loss of such a wonderful man — a Coach, a Trainer, a Mentor, husband, father and most of all, our friend.

You were more than someone who taught skills or pushed Nick to be stronger physically — you shaped his character, inspired discipline, and believed in him when he needed it most. You led by example, always showing up with integrity, humility, and heart. Your wisdom reached far beyond the gym or the field — it reached deep into our lives.

You taught him to never give up, to fight for goals, and to do everything with purpose. You didn't just build a better athlete — you built better boy who became a great man. . And for that, I will be forever grateful.

From a young kid in middle school to his wrestling matches after college to his wedding day, you were always by his side. I know I told you over and over what a wonderful role model you were, I appreciate all the times you were there not only for Nick but for me.

Thank you for the time, energy, and love you gave so freely. Thank you for the laughs, the lessons, and the legacy. We carry your spirit with us — in how we train, how we live, and how we treat others.

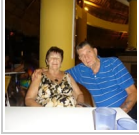

You will never be forgotten.

Rest in peace, Coach. You made a difference. You always will.

Our love to Karen, Adam and Mallory❤️
