

Jacob Anthony Pelletier

March 16, 2015 - December 11, 2017

Jacob Anthony Pelletier, 2 years old, was tragically taken away too soon on Monday, December 11th, 2017 in the city of Manchester. Jacob was born in the city of Daytona Beach, Florida, on March 16th, 2015; to his loving parents, Matthew R. Pelletier and Alisha M. (Luce) Pelletier. Along with them He leaves behind his big brother and best friend, Dylan M. Pelletier.

Jacob was a very happy bundle of joy. He constantly made others laugh and at 2 years old was already a charmer. He was very energetic, always on the move and loved being with people and entertaining them. During Jacob's short time on Earth he enjoyed listening to music, playing with his toy cars and morning cuddles with his family.

Jacob was beloved by his grandparents (Steven Pelletier, Linda Morrell, Christopher Luce, Heather Luce and Kristin Caccamesi) and his aunts (Kristina Vieweg, Valerie Luce, Cori Luce, Marissa Cann and Michaela Mulder). Jacob was adored by all that met him and will be dearly missed everyday.

Memorial services for Jacob will be held at The Dumont-Sullivan funeral home in Hudson, NH. The memorial will be a private service, at the family's request.

“ My deepest condolences to the family at this sad time. No one should have to deal with loss of a loved one but especially at such a young age. I find comfort and perhaps you can to from the holy scriptures. Please read about our Lord at John chapter 11 it may be comforting to you all.
