“ *Jimbo, So sad you have left us. You will missed by many. I worked with you at Tate Bros.& Hudson and was grateful you worked for me at Peters Paving. You were a true professional at everything you did. We installed countless driveways and parking lots together and worked very hard every day. When the taillights were just a glimmer from the last job of the day you knew it was Miller Time! At the Foxhole or at the garage after work, we would tip a couple and tell the stories of the day. It was a lot of fun listening to you tell your stories. You had such a way with words. "Too Funny". Anyone that knew Jimmy will miss him forever! Rest in peace my friend.*

*Harry Peters Karen I am so sorry for your loss.*

“ Jimmy, you were one hell of a guy... I will miss our "fights" over who would buy who a drink (thank you for letting me win even though it was your thought that a woman should never buy a man a beer) I will miss hearing you say "how you doing darling" and I will miss our long talks.. until we meet again I will love and miss you, and I will always hold you near and dear to my heart! Sending lots of love and strength to your family and love ones!!! Xoxo
