“ *Jim was my best friend for quite a while...He was best man at my wedding...Jim was 'best man' many times in my life...We shared many good times, but Jim was there for the bad times as well...That makes Jim a real friend...Jim knew he could depend on me as well...One from the pages of Jim Mulligan --- Before Nadine and I got married, she noticed that I seemed a little nervous...Jim helpfully offered " he's always nervous when he's getting married..." Rest in peace my dear, beloved friend...I will miss you until I see you again...Dave Cubeta*

Jim was one of my best friends when we were stationed together in the Air Force. I think his wife , Brooke, was a classmate of my wife, Barbara, at John Bapst High School. Jim was just a great guy and I've thought of him many times through the years.
