“ I am truly saddened by news of Jimmy's passing. I grew up with Jimmy and Roland in Crawford, GA. We were in boy scouts together and we played football and baseball from middle school through high school. I have many fond memories of our times together. I always thought that we would all get back together some day for a reunion. I am really sad this will never happen.

“ I'm so sorry to hear about Jimmy's passing. My condolences to the family.

Jimmy was a fellow member of the Hudson Fish and Game Club, and what a great member he was! He would give the shirt off his back to help someone out. I remember he took a whole morning out of his day to help me learn about muzzle loaders. Jimmy treated everyone at the Club with respect, and as a result he got a lot of respect back. He was kind, helpful, sociable and very humorous too! I will miss Jimmy, but I'm so glad I got to know him.
