“ I will always remember Janet for her enthusiasm and amazing smile! Singing with the choir at her and Joe's wedding was such an honor, the love was overwhelming. All my love to Joe and the family.

“ It was a pleasure to work with Janet at Raytheon. She often talked about her family, and especially her happy marriage to Joe. She was so funny, but also very professional with regard to her job. My heart goes out to Joe and the large family that she is leaving behind.
