“ Dear Jim, Jimmy, Jeff and Julie - My heart breaks for all of you. I was terribly saddened to hear of the death of Jean. She always had a twinkle in her eye and I can hear her laugh as I write this. I have fond memories of the fun we all had with her and she was so kind to us all. She made us feel part of the Kearns family and I'm very fortunate that she passed through our lives. She'll be missed. God love you all.

“ Dear Jim and Family,  
What great memories I have visiting my sister Mary Rook and spending time with Jean and your family. When I came out east Jean made me feel like one if the family. She even took me to play poker with the girls up the block once. I do remember her kindness and her smile. My prayers are with her and with your family.

“ Dearest Jim and Family,  
Don't know why I had the urge to check the Nasha Telegraph obituaries today. I have NEVER done this in my life. I just knew that Jean wasn't doing well. Her picture, her smile, her eyes .... what a beautiful woman. I love and cherish what she and her family added to my life. The time spent with the Kearn's family and our screen house memories will keep Jean alive in my heart forever. I watched the video and I could" feel" how much you all loved her. You are a wonderful family.
