*I affectionately Called her "Mother Malley". She was always ready for a good conversation, and someone to complain too when I needed to vent. I have known Her and Tom for as long as i known Tim. {about 25+ years} In that time my respect and admiration grew with My love for her and her family. My Mom thought the world of Jean and spent hours chatting about church and whatever crossed their minds. She was an inspiration in my life; I will miss her a great deal. Rest in Peace, Mother Malley*

*So many memories. Jean and Tom's was the first wedding I ever attended. Time in Pepperell when we were growing up (all those sleep overs) Saturday nights at the Singapore, having daughters 2 weeks apart, Maine, camping, T-Bones, family functions, cousins get together. The list goes on and on. She will be missed forever. This tribute is both beautiful and heartbreaking.*
