“ My deepest sympathy to Jeannette’s family. Jeannette and I go back to high school band days. She was beyond a talented flute player. We stayed in touch over the years and shared lots of great stories and pictures as we both got married and raised our families. She was a wonderful person and a great friend for many, many years. May she rest in peace.

“ Oh no! I'm truly crushed. Jeannette Uter Lipka was (is) an angel. Kind, considerate, and lovely through and through. I met her at the Dynamic Strength and Conditioning gym in Nashua. During one particular two-year phase of our mutual Dynamic Strength and Conditioning workouts, we consistently greeted one other, smiling and commiserating over our own personal battles with cancer. We knew whenever one of us were not present, it was often due to our having to go through various procedures or tests associated with our respective cancers. We always prayed for each other, especially at critical paths such as the aforementioned tests and procedures. And always in optimistic upbeat supportive tones. I'm speechless. She was a blessing. So lovely. ❤️🙏🥰 May God bless Jeannette and her wonderfully supportive family.

*“ Jeannette was so fun to be around. I loved that even though she was battling this disease she was up for silly pool antics like beach ball frenzy, water gun fights, wet disc pool throwing , Hawaii. Lay day or whatever! She was right in there by my side in the thick of it. She was so much fun bowling with us. She decided that because my granddaughter won the first string, she'd copy her silly throwing style! I'm so very grateful that we became friends! I have many happy memories of her.*

*Your family was so blessed to have her! She was one strong determined lady. Sincere condolences to you all.*
