Watching the video of Jeffery brought tears to my eyes. It brings back fond memories of us growing up. I remember all those days on Chester St. being with my cousins Jeffrey and Steve up in their room listening to the Beatles and Tommy the Who on the record player. Jeffrey and Steve would take me into Boston to see the Bruins play. Playing hockey on the ponds with Jeffrey, Steve and Scratchy Anderson. What fun we had. Freezing cold, a few beers and a fire . Back in Sept. last year I got a call in Texas from my aunt Maida. Jeffrey wasn't doing well. Over 40 years ago my Aunt Maida and Uncle John were traveling and happened to be on a plane with the Boston Bruins. She proceeded to get the whole team's autographs and gave it to me. Bobby Orr, Phil Esposito, Gerry Cheevers, the whole team signed it for my Aunt Maida. What a gift that was for me. Jeffrey had told my Aunt Maida that was something he wanted to have. I scoured my house in Texas like a crazy man to try and find it with the 6-7 moves I'd had over the years, to no avail. Jeffrey, I still haven't found it and will continue looking. I know I have it somewhere and someday, when we meet again, I can't wait to show you, Steve and Scratchy. I love you cousin. My heart goes out to all my family and sorry I couldn't make it back to Nashua for Jeff's services. Loving cousin , Douglas J. Hottel

“ Jeffrey was my cousin. I didn't know him well because I wasn't in Nashua very often. In the last few months I was able to visit him a couple of times and I'd check in with him on the phone every once in a while. Such a sweet soul, and he had a great sense of humor. I wish I'd had more time to spend with him. A really good guy. Doug Hill

“ Jeff - Thank you for letting your little sister make the trip to say goodbye. I am sure that meant a lot to her and to you. My memories of you are from a little sister point of view - Hanging out with Tina Jane (oh yes dare I say it) you always made sure we were taken care of and safe. If there was trouble coming you made sure we were gone before it arrived! Those parties on Chester Ave! The intercom system!! ---- And listening to music -- always will remember that, on your record player! So many fond memories. Take care in knowing you have left us all better people because of who you were here. Always gentle, kind and very very funny. Be free now Jeff - Much love and peace - Monroe xoxo

“ My condolences to Maida M and Jeff's siblings and relatives. Jeff was perhaps the second largest teddy bear that walked the face of this planet...only to be surpassed by Baloo. His "one liners" and "sparring" with his brother Steve were priceless. He was a good human being and his memory will live in my heart in the years to come.

Peace to you Jeff.....go straighten out your brother!

My memories of Jeffrey bring smiles to my face and love in my heart. We had so many great times when we were young. Like many of us our lives went in different directions and we didn't see each other as much as we should have. But Jeffrey was the the kind of man when we did cross paths it was like when we left off. I will never forget his smile and joyful personality. Good bye my friend you left a hole in my heart for sure. Love you Jeff and save me a seat buddy 📍🙏
