

## Joan Theberge

November 7, 2022

Joan (Mallon) Theberge, 89, passed away on Monday November 7, 2022 in her home, surrounded by loved ones. She was born in July 1933 to the late James and Katherine Hogan Mallon in Lawrence Massachusetts. She was also predeceased by her loving husband, Roland.

Joan graduated from Lowell State Teachers College. She spent the bulk of her career teaching in the Nashua school system, primarily at Mount Pleasant School. As a reading specialist, Joan helped share the gift of reading with countless children. Her family fondly remembers her saying “that was a 25 cent word” if you spoke a word with more than two syllables.

Joan fostered her values of family, kindness, positivity, and education among her family. Throughout her life, friendship was important to her, and she treasured those connections. She had a great love of crosswords, but she never had a cross word about anyone. Joan expressed gratitude to family and friends for their love and support.

She will be missed by her daughter Paula (Smith) and companion Gary Sullivan, son Jay and wife Kami Phillips, and son Neil and wife Sharron. Joan was incredibly proud of and found tremendous joy in her grandchildren: Craig, Deryn, Douglas, Nadine, Grace, Audra and Regan. (The grand pets not so much. )

Visiting hours will be held on Tuesday, November 15th from 4:00pm to 6:30pm with a Service of Remembrance at 6:30pm in the Dumont-Sullivan Funeral Home, 50 Ferry Street in Hudson. Burial will be private. In lieu of flowers the family encourages donations be made in Joan's loving memory to Home Health & Hospice Care at [www.hhhc.org](http://www.hhhc.org)

“ Hello I worked with Joan while being Principal at Mt. Pleasant School back in 1972. It was my first principalship at the age of 29 and Joan was such an asset to my success at this school. What a wonderful teacher and asset to all the students and teachers at the school. I learned a lot from this wonderful teacher. May her life be eternal. Charles Katsohis

“ We will greatly miss your mom. I would often meet up with her at the mailbox, where she gave some great insights in parenting lol. "You can't get in trouble for what you don't say". Loved them both, and we will miss them dearly. Condolences to all of you

“ My morning tea feels a little different these days. I feel so grateful to have grown up having tea time with my mom and Buddy where we shared so many stories and laughs. SO thankful that my mom and I got matching teacup tattoos that will prove to be a daily reminder of how incredible our little lady was, the love and care that family can bring, and to continue Buddy's focus of bringing kindness and support to every aspect of our lives. ❤️
