She was an amazing women who will be truly missed.*

“ The love and respect I have for this woman goes on forever. She raised me and took care of me like I was one of her own. I learned so much for her and I am grateful for all of her encouragement and guidance. When Justin was born she took him under wing like he was her Grandson. I will forever miss you and a piece of my heart will be missing. Will miss you oxo.

*I only had the pleasure of knowing Joann for about 4 years, but she made quite an impression on me. With all that happened with her daughter and granddaughter she was still all smiles and friendly at the 5k in Hudson this past June. She was a strong woman. Frank, you were a lucky man to have had her by your side for those loving memorable years. Cherish your memories until you are all reunited again with the Lord! RIP Joann. Karen Silva Deveau*
