“ To Alex, Chrissy & the rest of Johns family, I'm so very sorry for you loss!! My thoughts & prayers are with you all. John was & is a very special guy!! Loved his smile & laugh. I met John about 21 or 22 years ago when him & Alex moved into the apartment building I lived in (Manchester NH). He was an awesome neighbor & became a dear & close friend to me. I started watching Alex for him while he worked nights which let me get to know him even more (are girls got along great). He was a great father to Alex & loved her with all his heart & soul. When he met Chrissy & moved to Nashua I didn't think we would stay in touch, but he would come & get me & take me on motorcycle rides quite often, We would talk about are lives & how things where going, He told me how much he loved Chrissy & didn't know how she put up with him, but was glad she did..He invited me to the special events that Alex was involved with. Thank You John for being a GREAT FRIEND to me, Luv ya & will miss you dearly!!! I know you will be watching over your loved one especially Alex & Chrissy!! Please know that if Alex or Chrissy need anything & if I can help them I will. Till we met again!! MAY YOU REST IN PEACE MY DEAR FRIEND!!!!

“ Have known John for years. Lost touch for a while and just got back in touch. The one thing that stands out the most was how much his daughter meant to him. So proud of her. He felt she was the best that ever happened to him. May the sun forever shine on your face and the wind be with you. Ride free Brother!!!!!!!

“ So sorry to hear this, John was always friendly to everyone and quick to give you a smile. We grew up in North Haverhill together, ran into him years later at the Loudon race. He loved the races and also told me proudly about his daughter.
