“ *To my godfather Grampy Dick, you'll live on in my heart forever. You were always laughing, smiling and had a great sense of humor. I still have the 22 rifle you gave me. The best gift ever next to the brown sweater Auntie Geline made for me. It was always fun coming over at Christmas time. You were easy to gift, my mom just needed to make you her zucchini relish for your gift. You always returned the empties for next year. Thanks for being part of my life.*
