

## John Hinckley

February 11, 1952 - April 13, 2021

John was born on February 11, 1952 in Beverly, MA to parents Alfred A. Hinckley Jr and Yvonne Hinckley. Although retired, he was an engineer for many years at Proto-Pac Engineering in Wilmington, MA.

On August 8, 1998, he married Laura Pointer and they had one son together, John M. Hinckley Jr., who followed in his father's footsteps and now works as an Aerospace Engineer. John's greatest achievement in life was the lessons he instilled in his son, such as perseverance, determination, work ethic, and an unbreakable moral compass.

John loved spending time with family and was an avid fan of the New England Patriots. His hobbies included riding his motorcycle through the White Mountains, working out at the gym, and walking their German Shepherd, Ahren. He loved westerns and war movies, classic rock, and was an exceptional ping-pong player. John was young at heart and the life of the party. His unfiltered sense of humor always brought a smile to our faces.

John is survived by his wife Laura and son John, as well as step-children Christopher Clement and Tiffany Clement. He is also survived by two brothers, Edward and Robert Hinckley, one sister Deborah Keogh, as well as several nieces, nephews and grandchildren.

At John's request there will be no funeral services, however he asked that donations be made in his memory to his favorite charity, St Jude's Children's Research Hospital at [www.stjude.org](http://www.stjude.org)

*I am so very sorry for your loss. Your tribute is wonderful. I knew John many, many years ago in high school at MHS. He was so full of spirit... a great fan and supporter especially at the basketball games. In the last few years I returned to MHS to watch a couple of my Grandsons play for the team and was reminded of John and his friends leading the student body in cheers(and jeers) with such enthusiasm it was infectious.*

*Bless you and the family in this time of sadness,
