“ I just found this and want to say John was one of the nicest gentleman I've ever dealt with. My husband and I ran a photography studio and when he passed away, I was fortunate to find Hilton Command, he was so kind and helped me so much I am truly indebted to him. I will never forget his kindness to me. My condolences to his family. Sue Frillman

“ I just found Johns obit and want to say thank you for the many years of fantastic service on my Hasselblads. I always enjoyed visiting John at his shop, and marveled at his vast knowledge. I always left extra time for my visits as he was a very good storyteller.
