“ My mother sent me the obituary from the Nashua Telegraph and I just viewed the video tribute for Jack Sr. I have the fondest memories of "uncle" Jack, especially when he was the manager of our high school rock band, The Intruders with Jack Jr., Dick Levesque, Kenny Moore, and Mike Schumsky. It was a great experience and Jack had a way of making it all so grand for us kids. I also worked under Jack in shipping and receiving at Hampshire Mfg one summer and that also was an interesting experience. I loved his prankishness and sense of humor...it made the tedium of the work more bearable. He was a wonderful man and I will miss him.##imported-begin##David Duquette##imported-end##

“ So sorry to hear that John has passed. He was a great guy, always quick with a joke. I remember him fondly as a patient while practicing in New Hampshire.##imported-begin##Dr Peter Seviour##imported-end##
