“ I would like to express my sincere condolences to the family of Jack. He was a great man, momentous in action and character. Although I did not get the opportunity to know Jack as well as others who knew him, but from the times that I had with him, I can say that I was honored to be in his presence. It is difficult to let such a great man go, but he has passed on to a greater life, and he will always be with us in spirit and memory.

Sincerely,

“ For the few years I have known grandpa Jack, he was the most thoughtful and caring person that I have known. The first time I met him was when I was 8, I was with Allyson up in New Hampshire. I am 12 now and for those years I have known him he was a very kind man. He will be missed very much by my mom, brother and me.
