*Lindy, OMG, I am so sorry. I don't even know what to say. My heart is breaking for you and the family. I know this doesn't make it any easier for you, but Jon is where he wanted to be, where he needef to be... with Christopher. I don't think there is anything stronger than the bond between twins. I wish I could be there for you, but physically I cannot, I'm sorry, but please know my heart, prayers, love and thoughts are with you every minute. We may not see each other often, but I love you and your family and I will keep you all in my prayers.*
