*Joe was my go to for all things automotive at his work with Gurney's for 20 years. Every encounter was filled with laughs, smiles and fun. I would call him for no reason other than I needed a friend to laugh with. He was beyond nice and caring to everyone. Love you always Joe.*

*Joe was such a great guy and always seemed to have a smile on his face. We had so much fun back in the Boy Scouts. Getting a ride to scouts by his mom in the SS was an experience in itself! A kind and gentle soul gone too soon. May you all find comfort and strength in your memories.*

“ Dawn, Patricia, and Mike, I'm so very saddened by the sudden loss of Joe. I've known you and him most of my life, and it was truly an honor to say he was my friend. His presence at an event or gathering meant that there was going to be lots of laughter, and good natured insults among friends. He will be greatly missed, and very fondly remembered.

*With Love and Condolences,
