“ *My deepest condolences to the family on your loss. Life is a precious and that fact becomes ever real when we loss someone we love. I often find comfort and perhaps you do also from the Holy Scriptures. The account about our Lord Jesus at John chapter 11 when he lost his good friend Lazarus is quite revealing because it gives us a glimpse as to the condition of our loved ones and the hope that the bible holds out to us all. Once again my prayers and thoughts are for the survivors of Joseph Shea.*
