“ I'm am so sorry to hear of the passing of my Great Aunt Josephine. I am Joyce Roberts daughter, granddaughter of Marion Sassak Giannini, great grandniece of Jackie and Josephine Sassak. My sincerest condolences to the immediate family. I understand your loss and how difficult it is. I am disheartened that I did not get the opportunity to know my aunt and uncle personally. But, in reading the heartfelt expressions of friends and family that knew and loved Aunt Josephine, I am warmed by the feelings of love and admiration for her.
Please rest in peace.##imported-begin##Heidi Kurland##imported-end##

“ *To David and Mark, I used to live on Main Ave. in Scranton, Pa. Neighbors to your grandparents Mike and Sarah. We spent time together in the summers back in the 70's. In fact, the last time I spoke to you, David, was at your grandmother's wake. I'm sorry to hear about your Mom. My brother, Mickey is currently out of town and I don't know if he knows about your Mom's passing. Drop me an e-mail when you have a chance. “ *To My Family in NH,*

Your mom, my aunt, was a treasure. From the time I was a child through to last week, she was only a phone call away.

She was always there for me and I for her. She taught me how to keep the mind open and to care.

I am truly fortunate to have had her in my life.

No matter how far we live from each other, we have each other and we have her to carry us forward.
