“ 5th grade assignment: Write about one of your heroes

*My Grandma*

*My hero is my grandma. She is funny and likes talking to me. She is kind and knows how to cheer me up. She also takes me to fun places. These are my reasons for why she is my hero.*

*She is special because she will cook for my family if we come over to her house. Before she moved, she would bring me to my sporting events if my parents can't. She also makes me feel at home where ever I am, at her house and hotels. She also took me to my first trampoline park.*

*I am happy that she is my grandma. I am sad that she moved to Virginia. Most of her life she lived in Nashua which is close to me. Even though I don't see her often she still is my hero.*

“ I worked with Judy for many years at the NHHC (I was on the Board). I loved her wit (so dry it could stop rainshowers), and her ready smile. She did not tolerate fools, and she never was one. I am so sorry for your loss.
