“ *To Kim's Family -*

My deepest sympathy to you all. Kim was one of a kind and truly a wonderful person. I worked with her for many years and always loved and will now cherish the conversations we had over the years. She will be sorely missed, but I know she is in God's hands now and making sure things are organized and everyone is well taken care of in Heaven. God Bless!

“ Kim had a habit of helping people see how to succeed with their problems. She was a huge help and support for me at BAE and I know there are many people there who will miss her. I will always remember fondly the talks we had at T-Bones with Kim and Randy.

“ Kim has been a wonderful friend to our entire friend. In being friends with her son, and my parents being friends with her; we consider the entire the whole family as part of ours. Our hearts go out to the Roemer family. I will always remember the motherly love she showed me.

“ *My little sister. How I already miss you. I have a picture of you and the boys at bike week above my computer. I look at it often. It always gave me a smile. Now it just makes me sad. We have missed a lot of years since I moved away, but I will always cherish the time we did get to spend together. You will always be with us in our hearts.*

“ *Mom you were always there to run to no matter what. Was always your baby boy and miss hate that your gone from us. Last year with dads surgery it keeps coming up in my head all the times you kept me strong and in good spirits weather it was a hug and kiss when needed or dancing in the truck to a few tunes that always had me laughing. Miss you like crazy mom. May you rest in peace. Love you always and forever.*

“ Kim we spent a bit of time together when I was younger. Even though we grew separate ways as I got older I will cherish those time with my sister. With a heavy heart and tearful eyes I say goodbye to you in being and I still love you in spirit. I hope God wraps you tight in his arms as I say I LOVE YOU AND MISS YOU MY SISTER. I also know Andrew will miss putt putt to.

“ Kim & I knew each other since middle school. In the '80's, she became my sweet sister-in-law. I always enjoyed seeing the special bond Kim had with her brother/my husband, Russ. We were honored to be asked to be Godparents for their firstborn, Meghaan. Kim & Randy were soulmates and did a wonderful job raising their children with strong values. Most recently, we could see the pure joy she had with being a grandmother. It happened too quickly and is still so surreal. Kim, we have heavy hearts and miss you so much. Thank God for the many wonderful memories. Rest in peace.

“ Kim and I both started dating Randy and Ron at the same time back in 1980. Our lives were inseparable from that point on even though we lived in two different states. We were honored when asked to be Nick's Godparents. Her family was everything to her and don't you dare mess with them. As little as Kim was in size she was not little in toughness. We had so many good times together and so many memories to be held in our hearts forever. She will truly be missed by our family. We love you Kim and I miss you so much already.

“ Love you so much Mom. It's still hard to believe you're gone; everything happened so fast, this all feels like one really long bad dream that I can't wake up from. I know you're watching over us....and probably are screaming down from the Heavens at what you see. Just be prepared, our talks aren't over - I still need you when I'm going crazy and need your advice or to vent. Love you and miss you...forever your Little Scooterbug
