We have never met, Paul, but I want to send my sincere condolences to you, your sons and your extended family. I am best friends with Barbie and Glenn Adduci down in Port Orange, Fl. Barbie and Glenn have shared the joys and sorrows of Laura and your family. I watched the video of Laura and your family and friends. Laura looked like a wonderful Wife, Mother and Friend. Having known Laura through the eyes and hearts of Barbie and Glenn, I'm sending my deepest sympathy during this difficult time.

“ I just heard this news. I am beyond sad to learn of Laura’s passing. I have many fond memories of times in my office, working with Laura, and how compassionate and caring she was towards her students. We would laugh and share stories of our life’s journey. She encouraged me as I faced cancer. She was so humble and optimistic. I will miss her. My deepest condolences to her family.
