“ A friend sent this to me today - It was a good reminder that mom is smiling down upon us from heaven.

*God thought my mother was getting tired  
And a cure was not to be.  
So He put His arms around her  
And whispered come with me.  
With tearful eyes, we watched her fade  
And slowly go away  
Although we loved her dearly,  
We could not make her stay.  
A golden heart stopped beating,  
Hard working hands to rest.  
God broke our hearts to prove to us,  
He only takes the best.*

“ Mom - you have always been our hero and the wind beneath our wings. We know love, caring, compassion and forgiveness because of your example of selfless, unconditional love. The world is a little darker now that your beautiful smile no longer shines on earth - but your light shines bright within us and your spirit will live forever in our hearts. Love Peggy, Tom, Linda and Angela
