“ Lenny,

*You fought a battle few of us will ever understand, you persevered with dignity and composure. In all your pain you never complained or asked why me, although many of us may have asked why you. When you knew your time on this earth was short, you allowed those who loved you to be close and always kept a smile on your face. We can all learn from your bravery and the way you lived your life.*

*Nancy, Becky and Jared, I am proud to have called your father a friend and it was a privilege to have known him and have spent time with him.*

*Rest in eternal peace Lenny.*

“ Angels often guide us to our heavenly home,we see the manifestation of the spirit of that person on his/her journey. The sun's rays pierce the clouds slightly & touches the face of the earth. I believe Lennys light started to shine early,it shined through his courage, it shined through his strength & it shined through his family,most importantly it shined before his God. Take comfort friends & family Lenny has reached his eternal destination,he has completed the journey through the clouds,he has grown his wing's & fly's above.
