“ My wife Jean and I send our sincerest condolences to Leo's family. I am so glad that we were able to visit with him last June when we visited Nashua. I suspect that I am the last surviving Leclerc of that generation I am the son of Leo's uncle Paul and Aunt Alice. Our prayers are with the family. God Bless

“ We still feel the warm hospitality, the hot sun, cooling off in the pool, the 'twisty slide', the cool outdoor kitchen, family coming and going, a walk to get ice cream, and pizza. A magical day that seemed almost ordinary, like this happens every day in the summer. And it probably does! Thinking of you, Scott, Janie and your family with love, Mary Ann, Cynthia, Jackie, and Anna.

“ One of my favorite memories. A bunch of us were together having dinner. AJ was walking around with crutches. I asked him what happened,,, he said I was playing with the Wii. Uncle Leo took notice of the discussion, had this expressive look on his face and said " You were playing with your Wii",,, man I laughed SO hard. I can't tell you how fun that time was and how much I truly needed a good laugh.
