*My deepest condolences go out to the family of Liisa Somero. Liisa had the distinction of being the first girl that I ever called my "girlfriend" and the first girl I ever kissed. For those reasons, she will always hold a special place in my heart and memories. She had a kind spirit and an adventurous personality. She wasn't afraid to laugh or smile. She will be remembered fondly.*

*I remember three memorable things Liisa and I did together. She had just moved from Florida and she drove me home in her little pickup truck in a snowstorm. We spun around three times in the road then she neatly turned left into my driveway. We had fun canoeing in Greenfield. She put makeup on me and tried to find me a date. There was never a dull moment with my cousin.*
