“ *I recall as a young boy going to visit Aunt LIL and family. We had some fun times of which I will soon not forget.
The 1950's was the best time in this country and growing up during that time was the most fun as I look back now. It's hard to believe that I'm going to be 72 this year and I have been retired 1 year.
God Bless you all and I'll let Dick know about your mothers passing.*
