“ Dear Morrell Family,
I would like to express my deepest sympathy over the loss of Mrs. Morrell. May you find comfort in your loving memories and in the warmth of family and friends. I love the beautiful promise at Revelation 21:4 where God explains that he will eliminate death and pain forever after he restores his original purpose for the earth. He has even promised to reunite us with our dead loved ones by means of a resurrection (John 5:28,29). It is my hope that these trustworthy promises from God's word the Bible will bring you a measure of comfort during this difficult time. Once again, please accept my condolences as you deal with your loss.
