“ *I'm in shock to have lost the very first friend I made up here since only moving up this summer. Linda was the one to convince me to join Hoodcroft, I had started playing with the weekend morning group and by chance, I was always in Linda's foursome. And the first birdie I had, well she handed out the shots! So kind, so patient, and genuine. I didn't know her very long but I'm very sad because I knew she would be a good friend.*

“ I am heartbroken over the loss of my dear friend Linda. Linda was more than just a friend however. She was a mentor to me at the Derry-Salem Elks. Soon after my joining, she took me under her wing, nominated me as an officer and guided me through the process of being the best officer I could be. She was also my roommate at a couple of conventions and thus we shared in many shenanigans and laughs along the way. Years later, when she became Exalted Ruler, she would often confide in me and ask me for my opinion which meant a great deal to me. I will miss you greatly! My heart goes out to her family and friends.

“ Linda's passing was a shock. I just saw her a few weeks ago and she looked wonderful! My deepest condolences go out to Mark and the rest of the family. I remember the days of playing pool with her; a very kind soul! She will be sadly missed, not only by the American Legion Auxiliary, Unit 100 (whom she served as President from 2016 - 2018), but by especially by me! May eternal rest be granted unto her and let perpetual light shine upon her.

“ I am still in shock that Linda is gone. She was always that one person who loved golf so much that she would play, rain or shine. She was also that one person who would have a variety of birdie shots and boy did she love the moonshine birdie shots. I've always enjoyed playing with her and participating with her in the annual Elks veterans charity tournament and us being the only all ladies team. Of course always supporting her in all she did for the annual Hoodcroft Breast Cancer coalition charity tournament. The one word that sums up Linda and her personality is “passionate”. She was always so passionate in everything she did, whether it be in her commitment to the Salem Elks, the Hoodcroft board, charity events, and even your opinions in life. There was never a conversation with Linda that was ever boring. She was just a passionate loving person and always so genuine. It saddens me on her passing and breaks my heart that she was taken away so soon. God must have really needed her passion to have taken her this early. We will truly miss her. We love you Linda! RIP 🙏😊

“ Linda, we met when you first came to Hoodkroft (maybe 15 years ago) and started playing together with the small weekend group back then. We played in the Governor's cup and we both did not do well the first day, so we were paired for the first tee time the next day - just the 2 of us. We also played together in one of the first Hoodkroft Cup and we smoked the guys we played against. You will be missed.

“ Linda will be dearly missed at golf! As a newbie Linda was often kind to me and explain the rules of golf-when to pick up- mostly to keep up! But never give up!!She gave a lot of herself to others ! Working to help others ! My sympathies to your family. It won't be the same at golf this year with out seeing Linda at the 3 pm Ttime or organizing an event!

“ It is so hard for me to articulate all the help and support Linda gave me over the last 4 years. I spoke to her almost every day, and she never complained about anything (except for maybe a few politicians :))

Linda was quick to offer her assistance to anyone who needed it and was quick to volunteer in many organizations. Linda was on the board of directors at New Hampshire Women's Golf Association (as Treasurer), and was the President of the Women's Hoodcroft Ladies League She headed up the annual Breast Cancer Fundraiser golf tournament at Hoodcroft, which was always a highlight of our golf season That tournament generated a significant donation to NH Breast Coalition. It will be hard to fill her shoes. Linda came with our family on many trips to help me with my husband's disability, including St Thomas, Samoset Resort, Florida and Lake Winnepesaukee. We have lost one of the best and I personally have a broken heart. I will miss her always, but when I think of her, I smile. RIP Linda, and I will see you again someday...just not too soon I hope ! Love you, Dorene Bergeron (Doe)

“ Linda will be missed greatly! She was a good friend always ready for a round of golf regardless of the weather. I am so grateful to have had her in my circle. She always gave 100% of herself to our Hoodcroft Ladies League and our annual NH Breast Cancer Coalition tournament. I will miss our weekend rounds of golf and handing her all or part of my \$3 golf game bet which she would very often win. My deepest condolences to Mark and family 💔

“ I am so saddened by the loss of Linda. We enjoyed many good rounds of golf over the years and to many laughs to count. Linda had a heart of gold which I saw first hand in all the loving help she gave my sister in her time of need. Linda will be forever remembered by our family as the adopted aunt. Mark and family my prayers to you all. Love Kathy Garafalo
