“ So many great memories of the fun, laughter and good times we had together as "kids". Time and geography separated us, but never the love I have for you. Now the angles can hear all your stories and laugh at your jokes. I miss you.

“ Lorraine's face in her picture just about tell's it all! What a joyful, fun woman - always quick with a smile, a laugh. She was always a joy to be around. An inspiration to live life to the fullest. I think, that's what she always did - long before any illness. She just lived,...

My thoughts and prayers are with you all. And as I said to Charlie, .. looking down at the line of family next to him, .. what a great accomplishment you two have done, .. and he said back, .."You know - it is" " and you know what - "we didn't plan it - it just happened."

Congratulations on a life well lived Lorraine.

“ *To all those who loved and were loved by Lorraine, I am so very sorry for your loss. LL was truly a unique and wonderful person. After my sister Jean was killed, I came across the following clipping among her belongings: "Remember me with smiles and laughter, for that is how I will remember you all. If you can only remember me with tears, then don't remember me at all." This has given me solace and hope it will do the same for you.##imported-begin##Judy (Wirzbarger) Erickson##imported-end##*

Even though she was my sister's mother-in-law, she still gave my husband and I as much love as if we were her own children. Her death was a shock to us and we are deeply saddened by her passing. Charlie, Dave, Dan, Laura and Kathleen - our deepest condolences to you and your families. Rest in peace Lorraine. We love you!
